DELI

Botanica Deli is a labour of love with a simple philosophy: to bring you delicious, fuss-free food with a gourmet spin.

Designed to create a 'dining in the park' atmosphere, Botanica Deli's vibrant and airy space brings with it a wealth of natural light, complemented with an interior of clean white tiles, light wood paneling, lush greenery and a signature splash of hot pink.

Testament to a passion for local produce and quality ingredients is Botanica Deli's carefully crafted menu selection, highlighting a range of fresh salads, gourmet soups and house-made desserts.

Botanica Deli is located next door to Botanica + Co Restaurant in Bangsar South. This spacious yet intimate setting is also available for a range of events, including corporate functions, birthdays, wedding parties and product launches.
